Thank you to all of the parents for your support and for being a wonderful audience tonight.

Thank you to all of the teachers for their support and help during rehearsals and for allowing extra time for practices.

Thank you to Mrs. Pecson for the piano accompaniment and Kyle from KDL Audio for running the sound.

SONGS

Look Up

Four, Three, Two, One!
Ready or not, the stars are coming out.
One by one, that's what I'm talking 'bout.
Taking our place, we're waiting in a line.
We know what to do and we're ready to shine.

Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.
Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.

Four, Three, Two, One!
Ready or not, another night is here.
Once it starts, we suddenly appear.
Twinkling lights, we're dancing in the breeze.
We'll put on a show for the people to see.

Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.
Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine,
Let it shine, let it shine, let it shine.

Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.
Look up! Look up!
Too many to count, what a beautiful sight.
Look up! Look up!
Something's going on in the heavens tonight.
Something's going on in the heavens tonight..
Look up!

Hangin' Around the Heavens

From the star of all creation
When God set us in the sky,
We have seen a million stories
Happen right before our eyes.

We saw Abraham and Isaac,
Watched Noah build an ark.
When Joseph started dreaming,
We were watching from the dark.

We've got the best seat in the house.
We can see what God is doing,
Watch where He is moving.
If you could see what we have now,
This view that we've been given, whoa,
Hangin' around the Heavens.

Since the moment God decided
He would give the world His son,
We've been anxiously awaiting
Wond'ring when the time would come.

And if God can somehow use us,
Then whatever he might need,
It won't be hard to find us,
He knows right where we'll be.

**We've got the best seat in the house.
We can see what God is doing,
Watch where He is moving.
If you could see what we have now,
This view that we've been given, whoa,
Hangin' around the Heavens.**

**Hangin' around the Heavens.
Hangin' around the Heavens.
Hangin' around the Heavens.**

God Chooses Who He Uses

We're taking a risk, we're making some history,
Leaving the map, and following mystery.
On an adventure, chasing a star,
On a wing and a prayer we're gonna go far.

*It's no coincidence, this is not fate.
God's plan is leading us to the right place.*

**God chooses who he uses and He uses everyone.
There's so much we can offer and so much to be done**

**To shine the light of Jesus so that anyone can come.
God chooses who He uses and He uses everyone.
God chooses who He uses and He uses everyone.**

We don't wanna miss anything God has planned.
Sometimes it's hard when we don't understand.
Can't help but follow, He's earned our trust,
'cause all that we have He's given to us.

*It's no coincidence, this is not fate.
God's plan is leading us to the right place.*

**God chooses who he uses and He uses everyone.
There's so much we can offer and so much to be done
To shine the light of Jesus so that anyone can come.
God chooses who He uses and He uses everyone.
God chooses who he uses, and He uses everyone. (x2)**

*You know he uses, He uses ev'ryone.
You know he uses, He uses ev'ryone.
You know he uses, He uses ev'ryone.
God chooses who he uses and He uses everyone.*

Big Band of Shepherds

You take a big band of shepherds
Standing on a hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must of been like?

***Well how could it be that the God up in heaven,
Decided the word should be given to a
Big...Big...Big band of shepherds?***

They were watching their sheep with nothing to fear
When all of sudden an angel appeared.
They looked to the sky, but found the light was blinding.
The glory of the Lord was definitely shining

**On a big band of shepherds.
Standing on a hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must of been like?**

***Well how could it be that the God up in heaven,
Decided the word should be given to a
Big...Big...Big band of shepherds?***

The angel said, "be not a afraid" for unto you is born this day
In the city of David, you'll find a little baby
Lying in a manger.
You'll find the Savior waiting

**for a big band of shepherds.
Standing on a hillside in the middle of the night.
I'm talkin' big band of shepherds.
Can you imagine what it must of been like?**

***Well how could it be that the God up in heaven,
Decided the word should be given to a
Big...Big...Big band of shepherds? (x2)***

"Wee" Three Kings

Double U, Double E,
that spells "wee" like the Wee Three Kings
In the Christmas story.
Double U, Double E,
"wee" have come to see His glory.

We have seen a shining star
Leading us to Bethlehem.
We have travelled from a far
Bringing gifts to offer Him.

Double U, Double E,
that spells "wee" like the Wee Three Kings
In the Christmas story.
Double U, Double E,
"wee" have come to see His glory.

See Him wrapped in swaddling clothes
In a manger filled with hay.
We have come because we know
Christ is born to us this day.

Double U, Double E,
that spells "wee" like the Wee Three Kings
In the Christmas story.
Double U, Double E,
"wee" have come to see His glory.

(2nd ending)

"wee" have come to see His glory.

"wee" have come to see His glory.

Shine On Us

Lord, let Your light, light of Your face, shine on us.

Lord, let Your light, light of Your face, shine on us.

That we...may be saved, that we...may have life,

To find our way....in the darkest night.

Let your light shine on us.

Lord, let Your grace, grace from Your face, fall on us

That we...may be saved, that we...may have life,

To find our way....in the darkest night.

Let Your grace fall on us.

Noel, Noel, Noel, Noel

Born is the King of Israel.

Noel, Noel, Noel, Noel

Born is the King of Israel

To find our way....in the darkest night.

Let Your grace fall on us.

Let your light shine on us.

Constellation Celebration

Listen everybody, can you hear the celebration,

The sound of God's creation comin' alive?

All around the heavens after centuries of waiting,

A symphony is filling the skies.

It's not a silent night,
It's not a sleepy town.
From Bethlehem to heaven
There's a party goin' down.

**Constellation celebration,
The moon and stars are movin'
And the music's just begun.
Hear the heaven's declaration
That the promised One has come.
Constellation, celebration.**

Down through all the ages there's a call that has been given,
A special invitation to all who will come.
The song of the Redeemer, hear it ringing through the heavens.
The celebration's only begun.

The stars are lining up,
they've got a song to sing
Come and join the praises
To the newborn baby King.

**Constellation celebration,
The moon and stars are movin'
And the music's just begun.
Hear the heaven's declaration
That the promised One has come.
Constellation, celebration.**

(Repeat x2)

Celebration, celebration!

Look Up (Same as first one)

Thank you for coming!
