5. New Business

5.1. Classroom Consumables allocations

- With the growing population of the school our fundraising efforts are going to the classroom consumables for the teachers agreed to at the beginning of the year. Talked about ways the teachers/school could brainstorm needs for the entire school so we can utilize the casino funds for this instead of the general account. Admin will take this away and have discussion with teachers/staff.

- Use funds from casino fund bulk items like dice, or other equipment for the school, etc
- Brainstorm with teachers to get list of items that may be needed for entire school to use thus making use of Casino fund

5.2. Chrome Book Request

Jennifer D.

- The cost per chromebook has increased since the ask, so the amount is a little higher than previously mentioned - PAA approved up to \$15,000, so should cover the increase.
